The Vineyard

Vineyard Sources: Fox Run Vineyards Blocks 2 & 9

Block 2 – Planted in 2005 in shallow bedrock and shale with small amounts of clays and silts at an elevation of 595 ft.

Block 9 – Planted in 2000 in clays and silts with shallow bedrock and glacial till at an elevation of 595 ft.

Growing Conditions: 2013 presented considerable challenges to Finger Lakes growers. Heavy rain throughout June and July slowed ripening and made vineyard access difficult. To everyone's delight, though, the rains stopped around mid-August and we enjoyed seven weeks of the driest, warmest weather in memory.

Harvest

Harvest Date: October 9, 2013

Brix At Harvest: 20.8°

The Winemaking

Varietal Composition: 97% Lemberger, 3% Merlot

Vinification: Grapes were machine picked at dawn, and were immediately crushed into open-top fermentation vessels. Our favorite yeast strain was added, and fermentation began within 24 hours. At dryness, the grapes were pressed to a stainless steel tank. After several days of settling, the wine was transferred to a mixture of French and American oak barrels for 11 months. Following aging in oak, the wine was lightly filtered and bottled.

The Wine

Residual Sugar: 0%

pH: 3.78

Acidity: 5.89 g/L

Alcohol: 12.4%

Bottling Date: February 15, 2014

Production: 689 cases

On The Palate

Aromas of blackberry, raspberry, and freshly ground black pepper in this classic Finger Lakes Lemberger are followed by rich plum and black cherry flavors that evolve to sweet vanilla, smoke, and a spicy black pepper finish.
