John Kaiser, Vineyard Manager

### *The Vineyard*

**Vineyard Sources:** Fox Run Vineyards - Blocks 1-4

Block 1 – Planting established in 2003 in clays and silts with shallow topsoil at an elevation of 580 ft.

Block 2 – Plantings established in 2005 in shallow bedrock and shale with small amounts of clays and silts at an elevation of 595 ft.

Block 3 – Plantings established in 2001 in clays and silts with shallow bedrock and glacial till at an elevation of 580 ft.

Block 4 – Plantings established in 1989 in fertile, well-drained soil with sandy loam over lakeshore stones at an elevation of 660 ft.

**Growing Conditions:** 2014's growing season was a classic nail-biter. Cool and wet conditions predominated through the spring and summer, giving growers little hope of a high-quality crop. But as summer turned to fall, rain stopped falling and we enjoyed a prolonged dry and sunny end to the season. As a result, we were able to make some of the tastiest wines of the last decade.

### *Harvest*

**Harvest Date:** October 10-12, 2015

**Brix At Harvest:** 19.6-20.2° B

### *The Winemaking*

**Varietal Composition:** 100% Riesling

**Vinification:** Grapes were picked in the early morning to ensure that they arrived at the winery at a low temperature. The fruit was gently crushed and pressed. Fermentation was conducted at moderate temperatures using three different yeast strains. The wines were chilled just before reaching dryness to leave a small amount of residual sugar in the wine.

### *The Wine*

**Residual Sugar:** 0.9%

**pH:** 2.92

**Acidity:** 7.6 g/L

**Alcohol:** 12.2%

**Bottling Date:** June 23, 2015

**Production:** 1959 cases

**Released:** August 2015

### *On The Palate*

Aromas of slate, lime peel and tree fruits identify this as a classic Finger Lakes Riesling. There's lots of flavor intensity here, with bold acidity and great persistence.
